PROFESSIONAL SUMMARY

Network Security student (Microsoft and Oracle certified) with hands-on experience building security automation tools, managing Linux environments, and monitoring network infrastructure.

Seeking a remote Junior SOC Analyst, Cloud Security, or Network Security internship.

TECHNICAL SKILLS

Networking: TCP/IP, IPv4, VLSM, VLANs, OSPF, ACLs, DNS, DHCP, NAT
Security: Nmap, FortiGate, VPN, access controls, threat detection, incident response, SIEM, log analysis
Cloud & Systems: OCI, IAM, Linux, Bash, Docker, Prometheus, WireGuard

Programming & Tools: Python, SQL, Git, GNS3, Streamlit

PROJECT EXPERIENCE

AegisSOC | Python, Docker, SIEM, Prometheus | 2026

Designed and deployed a self-hosted SOC platform for local lab use. Implemented event collection, alert investigation, and orchestrated response actions using Docker isolation.

NetSec Agent | Python, Nmap, Streamlit, AI APIs | 2026

Built automated network reconnaissance integrating Nmap scans with AI-assisted explanations.

Created a Streamlit interface to help junior analysts review vulnerability scan results.

NetOps Sentinel | Python, GNS3, JSON, Linux | 2026

Developed a network monitoring lab to automate device inventory, endpoint reachability checks, and structured JSON evidence logging.

NexusCloud | Docker, Prometheus, WireGuard, OCI | 2026

Engineered a local hybrid-infrastructure lab focused on network segmentation, monitoring and secure routing.

BABA AHMED EL BEKAY

EDUCATION

MIFITT Institute | Nouakchott, Mauritania

BTS in Network Security | 2025-Present

Lycee d'Excellence 2 | Nouakchott, Mauritania

Baccalaureat in Science | 2023-2024

CERTIFICATIONS

Microsoft Cybersecurity Analyst Professional Certificate - Microsoft / Coursera (2026)
Oracle Cloud Infrastructure Architect Associate - Oracle (2026)
Cyber Security: Governance, Risk & Compliance - Macquarie University (2026)
NSE 3: FortiGate Operator - Fortinet (2026)
Agentic AI Foundations Associate - Oracle (2026)
LFS101: Introduction to Linux - The Linux Foundation (2026)
SQL (Intermediate) - HackerRank (2026)

Python Essentials 1 - Cisco Networking Academy

LANGUAGES

Arabic (Native) | French (Advanced) | English (Advanced - C1)
